# Trellises

These superb trellises are made from 10mm solid steel bar - the ends are hot forged (Ornamental) or finished with smooth balls (Classic), they are welded together, and have unobtrusive brackets to fix, yet hold them off the wall..

**Classic** - £31.95

**Ornamental** - £46.95

They measure H1850mm x W950mm and are simple and long lasting strong and very attractive.. They come unfinished, and we recommend just allowing them to weather therefore no maintenance is required.

for the Garden

## The Brazier

The brazier is an impressive garden heater and focal point; it is based on a medieval design so it is a real throw back to the old days

The base is separate to facilitate easy cleaning.

They come finished in a high temperature matt black paint.
